| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                                           |
| Conjugate                   | Biotin                                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                                     |
| Buffer                      | PBS                                                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                                                        |
| Gene ID                     | 221150                                                                                                                                                                                                        |
| Gene Symbol                 | SKA3                                                                                                                                                                                                          |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                             |
| Reactivity Notes            | 0                                                                                                                                                                                                             |
| Immunogen                   | Antibody was raised against a 13 amino acid synthetic peptide from near the carboxy terminus of human SKA3. The immunogen is located within amino acids 290 - 340 of SKA3. Amino Acid Sequence: STNYPLSKTNSSS |
| Product Application Details |                                                                                                                                                                                                               |
| Applications                | Western Blot, ELISA                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                        |
