| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                               |
| Conjugate                   | Biotin                                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                                            |
| Gene ID                     | 51029                                                                                                                                                                                                             |
| Gene Symbol                 | DESI2                                                                                                                                                                                                             |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                 |
| Reactivity Notes            | 0                                                                                                                                                                                                                 |
| Immunogen                   | Antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human PNAS4. The immunogen is located within the last 50 amino acids of PNAS4. Amino Acid Sequence: VSQELQDELEEAEDAAAS |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
