| Clonality                   | Polyclonal                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                               |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                                 |
| Purity                      | Peptide affinity purified                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                                            |
| Gene ID                     | 147906                                                                                                                                                                                                            |
| Gene Symbol                 | DACT3                                                                                                                                                                                                             |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                 |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide from near the amino terminus of human Dact3. The immunogen is located within amino acids 370 - 420 of Dact3. Amino Acid Sequence: SVEQSPPRERPRAAGRR |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
