| Clonality                   | Polyclonal                                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                      |
| Conjugate                   | PE                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                   |
| Gene ID                     | 9528                                                                                                                                                                                                     |
| Gene Symbol                 | TMEM59                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                    |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide near amino terminus of human TMEM59. The immunogen is located within amino acids 80 - 130 of TMEM59. Amino Acid Sequence: ECESACTEAYSQSDEQ |
| Product Application Details |                                                                                                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
