| Clonality                   | Polyclonal                                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                                                         |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                                           |
| Purity                      | Peptide affinity purified                                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                                                      |
| Gene ID                     | 3161                                                                                                                                                                                                        |
| Gene Symbol                 | HMMR                                                                                                                                                                                                        |
| Species                     | Human, Mouse, Rat, Porcine                                                                                                                                                                                  |
| Reactivity Notes            | Porcine reactivity reported in scientific literature (PMID: 27856308).                                                                                                                                      |
| Immunogen                   | Antibody was raised against a 18 amino acid synthetic peptide near the amino terminus of human RHAMM. The immunogen is located within amino acids 80 - 130 of RHAMM. Amino Acid Squence: ERGAQDRRIQDLETELEK |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                           |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
