| Isotype                     | IgG                                                                                                                                                                                                                |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                                             |
| Gene ID                     | 23528                                                                                                                                                                                                              |
| Gene Symbol                 | ZNF281                                                                                                                                                                                                             |
| Species                     | Human, Mouse                                                                                                                                                                                                       |
| Immunogen                   | Antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human ZFP281. The immunogen is located within amino acids 600 - 650 of ZFP281. Amino Acid Sequence: YSNKSESQKEDPFNIAEPR |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                              |
| Product Application Details |                                                                                                                                                                                                                    |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                             |
