### NBP1-76556AF488

CD48/SLAMF2 Antibody [Alexa Fluor® 488]

| human SLAMF2. The immunogen is located within amino acids 90 - 140 of SLAMF2. Amino Acid Squence: SKVQKEDNSTYIMRVLKKT  Notes  Alexa Fluor (R) products are provided under an intellectual property license fror Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned of the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for  | Product Information     |  |  |  |
