| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | DyLight 350                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 922                                                                                                                                                                                                    |
| Gene Symbol                 | CD5L                                                                                                                                                                                                   |
| Species                     | Human, Mouse                                                                                                                                                                                           |
| Reactivity Notes            | 0                                                                                                                                                                                                      |
| Immunogen                   | Antibody was raised against a 13 amino acid synthetic peptide near the carboxy terminus of human AIM. The immunogen is located within amino acids 250 - 300 of AIM. Amino Acid Sequence: CDDNWGEKEDQVV |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
