| Host                        | Rabbit                                                                                                                                                                                                                          |
| Gene ID                     | 8741                                                                                                                                                                                                                            |
| Gene Symbol                 | TNFSF13                                                                                                                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                                                                                                                    |
| Reactivity Notes            | 0                                                                                                                                                                                                                               |
| Immunogen                   | Antibody was raised against a synthetic peptide corresponding to amino acids within a extracellular domain of human APRIL. The immunogen is located within amino acids 180 - 230 of APRIL. Amino Acid Sequence: CIRSMPSHPDRAYNS |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                                                 |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                        |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                          |
