| Clonality                   | Polyclonal                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                 |
| Conjugate                   | DyLight 594                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 23495                                                                                                                                                                                               |
| Gene Symbol                 | TNFRSF13B                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                               |
| Reactivity Notes            | 0                                                                                                                                                                                                   |
| Immunogen                   | Antibody was raised against a synthetic peptide mapping at the amino terminus of human TACI. The immunogen is located within the first 50 amino acids of TACI. Amino Acid Sequence: SGLGRSRRGGRSRVD |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                              |
