| Conjugate                   | HRP                                                                                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                           |
| Gene ID                     | 84142                                                                                                                                                                                                            |
| Gene Symbol                 | ABRAXAS1                                                                                                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                                                                                                     |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Chicken (87%)                                                                                                           |
| Immunogen                   | Antibody was raised against a 15 amino acid synthetic peptide from near the amino terminus of human CCDC98. The immunogen is located within amino acids 80 - 130 of CCDC98. Amino Acid Sequence: WYKFRRHSDQIMTFR |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
