| Clonality                   | Polyclonal                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                   |
| Conjugate                   | PerCP                                                                                                                                                                                                                 |
| Purity                      | Peptide affinity purified                                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                |
| Gene ID                     | 342977                                                                                                                                                                                                                |
| Gene Symbol                 | NANOS3                                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                     |
| Specificity/Sensitivity     | This Nanos3 antibody will not cross-react with either Nanos 1 or Nanos2.                                                                                                                                              |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide near the carboxy terminus of the human Nanos3. The immunogen is located within the last 50 amino acids of Nanos3. Amino Acid Sequence: CKLVPRDKAKQDTGHR |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                      |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                |
