| Clonality                   | Polyclonal                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                               |
| Conjugate                   | PerCP                                                                                                                                                                                                             |
| Purity                      | Peptide affinity purified                                                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                                            |
| Gene ID                     | 196410                                                                                                                                                                                                            |
| Gene Symbol                 | METTL7B                                                                                                                                                                                                           |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                 |
| Specificity/Sensitivity     | This MettL7B antibody is predicted to not cross-react with MettL7A.                                                                                                                                               |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide near the carboxy terminus of human MettL7B. The immunogen is located within the last 50 amino acids of MettL7B. Amino Acid Squence: QFSEIQMERQPPPLK |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
