| Clonality                   | Polyclonal                                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                           |
| Gene ID                     | 253782                                                                                                                                                                                                           |
| Gene Symbol                 | CERS6                                                                                                                                                                                                            |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                |
| Specificity/Sensitivity     | At least two isoforms of LASS6 are known to exist. This antibody is predicted not to cross-react with LASS5.                                                                                                     |
| Immunogen                   | Antibody was raised against a 13 amino acid synthetic peptide near the carboxy terminus of the human LASS6. The immunogen is located within the last 50 amino acids of LASS6. Amino Acid Sequence: DSEPPGKNPHTAT |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Knockdown Validated                                                                            |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Knockdown Validated                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
