| Clonality                   | Polyclonal                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                               |
| Conjugate                   | DyLight 550                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                            |
| Gene ID                     | 22890                                                                                                                                                                                             |
| Gene Symbol                 | ZBTB1                                                                                                                                                                                             |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                 |
| Reactivity Notes            | 0                                                                                                                                                                                                 |
| Specificity/Sensitivity     | At least two isoforms of ZBTB1 are known to exist. This ZBTB1 antibody will not cross-react with ZBTB2.                                                                                           |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide near the center of human ZBTB1. The immunogen is located within amino acids 260 - 310 of ZBTB1. Amino Acid Sequence: SAQTDKYRGDTSQA |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
