| Gene Symbol                      | SIGLEC11                                                                                                                                                                                                                     |
| Species                          | Human                                                                                                                                                                                                                        |
| Reactivity Notes                 | 0                                                                                                                                                                                                                            |
| Immunogen                        | Antibody was raised against an 18 amino acid synthetic peptide from near the carboxy terminus of human Siglec11. The immunogen is located within the last 50 amino acids of Siglec11. Amino Acid Squence: WEPADQEAPSTTEYSEIK |
| Notes                            | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                            |
| Product Application Details      |                                                                                                                                                                                                                              |
| Applications                     | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                             |
| Recommended Dilutions            | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                             |

Optimal dilution of this antibody should be experimentally determined.
