| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                                   |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                                                     |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                                |
| Gene ID                     | 60489                                                                                                                                                                                                                                 |
| Gene Symbol                 | APOBEC3G                                                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                                                                 |
| Specificity/Sensitivity     | APOBEC3G antibody will also detect the APOBEC3F isoform.                                                                                                                                                                              |
| Immunogen                   | Antibody was raised against a synthetic peptide corresponding to 15 amino acids near the amino-terminus of human APOBEC3G. The immunogen is located within the first 50 amino acids of APOBEC3G. Amino Acid Sequence: RNTVERMYRDTFSYN |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
