| Clonality                   | Polyclonal                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | DyLight 680                                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 114904                                                                                                                                                                                                              |
| Gene Symbol                 | C1QTNF6                                                                                                                                                                                                             |
| Species                     | Human, Mouse                                                                                                                                                                                                        |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat (80%)                                                                                                                  |
| Specificity/Sensitivity     | These proteins often migrate in SDS-PAGE at positions other than their predicted size.                                                                                                                              |
| Immunogen                   | Antibody was raised against a 15 amino acid synthetic peptide from near the carboxy terminus of human CTRP6. The immunogen is located within the last 50 amino acids of CTRP6. Amino Acid Sequence: RLFKRQRENAIYSND |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
