| Storage                     | Store at 4C in the dark.                                                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                 |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                     |
| Purity                      | Peptide affinity purified                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 57144                                                                                                                                                                                               |
| Gene Symbol                 | PAK5                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                               |
| Immunogen                   | Antibody was raised against a 13 amino acid synthetic peptide from near the center of human PAK5. The immunogen is located within amino acids 240 - 290 of PAK5. Amino Acid Sequence: GPSLDDYDRRPKS |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                        |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                              |
