| Conjugate                   | DyLight 550                                                                                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                                   |
| Gene ID                     | 84961                                                                                                                                                                                                                    |
| Gene Symbol                 | FBXL20                                                                                                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                                        |
| Immunogen                   | Antibody was raised against a 18 amino acid synthetic peptide near the amino terminus of the human SCRAPPER. The immunogen is located within the first 50 amino acids of SCRAPPER. Amino Acid Squence: SDEAVINKKLPKELLLR |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                                          |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                   |
