| Clonality                   | Polyclonal                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                           |
| Gene ID                     | 1277                                                                                                                                                                             |
| Gene Symbol                 | COL1A1                                                                                                                                                                           |
| Species                     | Human, Mouse                                                                                                                                                                     |
| Immunogen                   | This Collagen I alpha 1 antibody was raised against a synthetic peptide made to an internal portion of the human Collagen I protein (between residues 150-200) [UniProt# P02452] |
| Product Application Details |                                                                                                                                                                                  |
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Western Blot (Negative)                                                            |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Western Blot (Negative)                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                           |
