**NBP1-77688APC**

NDM-1 Antibody [Allophycocyanin]

| Product Information         |                                                                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                            |
| Storage                     | Store at 4C in the dark.                                                                                                               |
| Clonality                   | Polyclonal                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                     |
| Isotype                     | IgG                                                                                                                                    |
| Conjugate                   | Allophycocyanin                                                                                                                        |
| Purity                      | Immunogen affinity purified                                                                                                            |
| Buffer                      | PBS                                                                                                                                    |
| Product Description         |                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                 |
| Species                     | Mouse, Bacteria, E. coli                                                                                                               |
| Reactivity Notes            | E. coli reactivity reported in scientific literature (PMID: 30323356). Use in Mouse reported in scientific literature (PMID:32014252). |
| Immunogen                   | A synthetic peptide made to a C-terminal region of the E. coli bla-NDM-1 protein (within residues 100-158). [NCBI BAJ10873]            |
| Product Application Details |                                                                                                                                        |
| Applications                | Western Blot                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                 |
