ESRP2 Antibody (22C5.H7.A6) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 22C5.H7.A6                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a Kappa                                                                                 |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                                            |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                      |
| Gene ID             | 80004                                                                                                                                                                                                      |
| Gene Symbol         | ESRP2                                                                                                                                                                                                      |
| Species             | Mouse                                                                                                                                                                                                      |
| Reactivity Notes    | A BLAST analysis was used to suggest cross-reactivity with ESRP2 from mouse based on a 100% homology with the immunizing sequence. Cross-reactivity with ESRP2 from other sources has not been determined. |
| Immunogen           | ESRP2 Antibody (22C5.H7.A6) is produced by repeated immunizations of full length recombinant mouse Esrp-2 fusion protein. (Uniprot: Q8K0G8)                                                                |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                          |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA                                                    |
| Recommended Dilutions       | Western Blot, ELISA                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
