| Storage                     | Store at 4C in the dark.                                                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                                         |
| Conjugate                   | DyLight 488                                                                                                                                                                                 |
| Purity                      | Immunogen affinity purified                                                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                                      |
| Gene ID                     | 29068                                                                                                                                                                                       |
| Gene Symbol                 | ZBTB44                                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                                       |
| Immunogen                   | The immunogen for this product maps to a region between residue 300 and 350 of human Zinc Finger and BTB Domain Containing 44 using the numbering given in entry BAI46608.1 (GeneID 29068). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                           |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Immunohistochemistry, Immunoprecipitation                                                                                                                                                   |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                      |
