| Storage                     | Store at 4C in the dark.                                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                                  |
| Preservative                | No Preservative                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                         |
| Conjugate                   | HRP                                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                      |
| Gene ID                     | 55311                                                                                                                                                                       |
| Gene Symbol                 | ZNF444                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                       |
| Immunogen                   | The immunogen for this product maps to a region between residue 200 and 250 of human Zinc Finger Protein 444 using the numbering given in entry NP_060807.2 (GeneID 55311). |
| Product Application Details |                                                                                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                      |
