GLP-1R Antibody [DyLight 755]

| Product Information         |                                                                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                              |
| Storage                     | Store at 4C in the dark.                                                                                                                                 |
| Clonality                   | Polyclonal                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                      |
| Conjugate                   | DyLight 755                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                       |
| Product Description         |                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                   |
| Gene ID                     | 2740                                                                                                                                                     |
| Gene Symbol                 | GLP1R                                                                                                                                                    |
| Species                     | Human, Mouse, Rat, Canine                                                                                                                                |
| Reactivity Notes            | Rat reactivity reported in scientific literature (PMID: 27435156). Canine reactivity reported in scientific literature (PMID: 25747753).                 |
| Immunogen                   | A synthetic peptide made to an internal portion of the human GLP1R protein (between residues 250-350) [UniProt P43220]                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                        |
| Product Application Details |                                                                                                                                                          |
| Applications                | Western Blot, Simple Western, Dot Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Knockdown Validated |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Dot Blot, Knockdown Validated |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                   |
