GABARAP Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG                                                                                                                       |
| Conjugate                   | Janelia Fluor 669                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                        |
| Product Description         |                                                                                                                           |
| Host                        | Rabbit                                                                                                                    |
| Gene ID                     | 11337                                                                                                                     |
| Gene Symbol                 | GABARAP                                                                                                                   |
| Species                     | Mouse                                                                                                                     |
| Immunogen                   | A synthetic peptide made to an N-terminal region of the human GABARAP protein (within residues 1-50). [Swiss-Prot O95166] |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                     |
| Product Application Details |                                                                                                                           |
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin, ICC/IF (Negative), Western Blot (Negative)                           |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin, Western Blot (Negative), ICC/IF (Negative)                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
