GITR Ligand/TNFSF18 Antibody (MM0312-4Q25) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | MM0312-4Q25                                                                                 |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                 |
| Gene ID             | 8995                                                                                  |
| Gene Symbol         | TNFSF18                                                                               |
| Species             | Human                                                                                 |
| Immunogen           | Human recombinant GITR Ligand/TNFSF18 (extracellular domain)                          |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Block/Neutralize, CyTOF-ready                          |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready, Block/Neutralize                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
