CXCR5 Antibody (MM0225-8C17)

| Product Information         |                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------|
| Unit Size                   | 100 ug                                                                                 |
| Concentration               | LYOPH mg/ml                                                                            |
| Storage                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality                   | Monoclonal                                                                             |
| Clone                       | MM0225-8C17                                                                            |
| Preservative                | No Preservative                                                                        |
| Reconstitution Instructions | Reconstitute with sterilized PBS to a final concentration of 0.5 mg/ml.                |
| Isotype                     | IgG2                                                                                   |
| Purity                      | Protein G purified                                                                     |
| Buffer                      | Lyophilized from 0.2 um filtered PBS                                                   |

| Product Description |             |
|---------------------|-------------|
| Host                | Mouse       |
| Gene ID             | 643         |
| Gene Symbol         | CXCR5       |
| Species             | Human       |
| Reactivity Notes    | Human       |
| Immunogen           | Human CXCR5 |

| Product Application Details |                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Frozen, CyTOF-ready                                         |
| Recommended Dilutions       | Western Blot 1:500-1000, Flow Cytometry 1:50-200, Immunohistochemistry 1:10-1:500, Immunohistochemistry-Frozen 1:20-100, CyTOF-ready |
| Application Notes           | This antibody is Cytof ready.                                                                                                        |
