**NBP2-14836B**

SART1 Antibody [Biotin]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Polyclonal                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                           |
| Buffer                      | PBS                                                                                                                   |
| Product Description         |                                                                                                                       |
| Host                        | Rabbit                                                                                                                |
| Gene ID                     | 9092                                                                                                                  |
| Gene Symbol                 | SART1                                                                                                                 |
| Species                     | Human, Mouse                                                                                                          |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: rat (94%).                   |
| Immunogen                   | A synthetic peptide made to a internal portion of the human SART1 protein (between residues 100-200) [UniProt O43290] |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, ICC/IF (Negative)                                  |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, ICC/IF (Negative)                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
