| Host                        | Mouse                                                                                                                                                                                                                                                     |
| Gene ID                     | 1489749                                                                                                                                                                                                                                                   |
| Gene Symbol                 | ORF1ab                                                                                                                                                                                                                                                    |
| Species                     | Virus                                                                                                                                                                                                                                                     |
| Reactivity Notes            | This antibody is directed against the Murine Hepatitis Virus A59 nsp9 protein. No cross reactivity occurs with SARS CoV nsp9. Cross reactivity with homologues from other sources has not been tested.                                                    |
| Specificity/Sensitivity     | No cross reactivity occurs with SARS CoV nsp9.                                                                                                                                                                                                            |
| Immunogen                   | This Murine Hepatitis Virus A59 nsp9 Antibody (2C6.H1) was produced in mice by repeated immunizations with E.coli derived full-length Murine Hepatitis Virus A59 nsp9 protein. This protein is part of the viral replicase polyprotein. (Uniprot: P0C6V0) |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                     |
| Product Application Details |                                                                                                                                                                                                                                                           |
| Applications                | Western Blot, Dot Blot, Immunocytochemistry/ Immunofluorescence                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence, Dot Blot                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                    |
