Cytokeratin 19 Antibody (4E8) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 4E8                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Ammonium sulfate precipitation                                                              |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                               |
|---------------------|-----------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                         |
| Gene ID             | 3880                                                                                          |
| Gene Symbol         | KRT19                                                                                         |
| Species             | Human                                                                                         |
| Marker              | Epithelial Cell Marker                                                                        |
| Immunogen           | Purified recombinant fragment of human Cytokeratin 19 expressed in E. coli. [UniProt# P08727] |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.             |

| Product Application Details |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
