| Storage                     | Store at 4C in the dark.                                                                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                        |
| Conjugate                   | DyLight 488                                                                                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                     |
| Gene ID                     | 55696                                                                                                                                                                                      |
| Gene Symbol                 | RBM22                                                                                                                                                                                      |
| Species                     | Human, Mouse                                                                                                                                                                               |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 370 and 420 of human RNA Binding Motif Protein 22 using the numbering given in entry NP_060517.1 (GeneID 55696). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                          |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
