| Clonality                   | Polyclonal                                                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                                           |
| Conjugate                   | DyLight 550                                                                                                                                                                                                   |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                                                        |
| Gene ID                     | 6634                                                                                                                                                                                                          |
| Gene Symbol                 | SNRPD3                                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                                         |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 1 to 50 of human Small Nuclear Ribonucleoprotein D3 Polypeptide 18kDa using the numbering given in entry NP_004166.1 (GeneID 6634). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                        |
