TORC2 Antibody [DyLight 680]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG                                                                                                                       |
| Conjugate                   | DyLight 680                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                        |
| Product Description         |                                                                                                                           |
| Host                        | Rabbit                                                                                                                    |
| Gene ID                     | 200186                                                                                                                    |
| Gene Symbol                 | CRTC2                                                                                                                     |
| Species                     | Human, Mouse                                                                                                              |
| Reactivity Notes            | Predicted to react in Rat and Bovine based on sequence identity.                                                          |
| Immunogen                   | A synthetic peptide made to a C-terminal portion of the human Torc2 protein (between residues 600-693) [UniProt Q53ET0]   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                         |
| Product Application Details |                                                                                                                           |
| Applications                | Western Blot, Simple Western, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
