JunD Antibody [CoraFluor™ 1]

| Product Information         |                                                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.2 ml                                                                                                                                                        |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                              |
| Storage                     | Store at 4C in the dark. Do not freeze.                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                    |
| Preservative                | No Preservative                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                           |
| Conjugate                   | CoraFluor 1                                                                                                                                                   |
| Purity                      | Immunogen affinity purified                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                           |
| Product Description         |                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                        |
| Gene ID                     | 3727                                                                                                                                                          |
| Gene Symbol                 | JUND                                                                                                                                                          |
| Species                     | Mouse                                                                                                                                                         |
| Immunogen                   | Synthetic peptide corresponding to residues G(329) C Q L L P Q H Q V P A Y (341) of mouse JunD.                                                               |
| Notes                       | CoraFluor (TM) is a trademark of Bio-Techne Corp. Sold for research purposes only under agreement from Massachusetts General Hospital. US patent 2022/0025254 |
| Product Application Details |                                                                                                                                                               |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Chromatin Immunoprecipitation (ChIP)                                                   |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Chromatin Immunoprecipitation (ChIP)                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                        |
