FAM3C Antibody [Janelia Fluor® 585]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Polyclonal                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG                                                                                         |
| Conjugate                   | Janelia Fluor 585                                                                           |
| Purity                      | Immunogen affinity purified                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Rabbit                                                                                      |
| Gene ID                     | 10447                                                                                       |
| Gene Symbol                 | FAM3C                                                                                       |
| Species                     | Human, Mouse, Rat                                                                           |
| Reactivity Notes            | Pufferfish (88%).                                                                           |
| Immunogen                   | A portion of amino acids 40-80 of human FAM3C was used as the immunogen for this antibody.  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Simple Western, Immunohistochemistry, Immunohistochemistry-Paraffin           |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunohistochemistry-Paraffin           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
