Synaptophysin Antibody [DyLight 350]

| Product Information         |                                                                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                            |
| Storage                     | Store at 4C in the dark.                                                                                                               |
| Clonality                   | Polyclonal                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                     |
| Isotype                     | IgG                                                                                                                                    |
| Conjugate                   | DyLight 350                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                     |
| Product Description         |                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                 |
| Gene ID                     | 6855                                                                                                                                   |
| Gene Symbol                 | SYP                                                                                                                                    |
| Species                     | Human, Mouse, Primate                                                                                                                  |
| Marker                      | Pre-synaptic marker                                                                                                                    |
| Immunogen                   | A synthetic peptide made to an C-terminal portion of the human Synaptophysin protein (between residues 230-313) [UniProt# P08247]      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                      |
| Product Application Details |                                                                                                                                        |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Immunohistochemistry-Frozen |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                 |
