| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                                                       |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                                               |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                              |
| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                                  |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                                                                                      |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                              |
| <b>Product Description</b>         |                                                                                                                                                                                                                  |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                           |
| <b>Gene ID</b>                     | 23094                                                                                                                                                                                                            |
| <b>Gene Symbol</b>                 | SIPA1L3                                                                                                                                                                                                          |
| <b>Species</b>                     | Human                                                                                                                                                                                                            |
| <b>Immunogen</b>                   | The immunogen recognized by this antibody maps to a region between residue 1731 to 1781 of human Signal-Induced Proliferation-Associated 1 Like 3 using the numbering given in entry NP_055888.1 (GeneID 23094). |
| <b>Product Application Details</b> |                                                                                                                                                                                                                  |
| <b>Applications</b>                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                     |
| <b>Recommended Dilutions</b>       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
