| Storage                     | Store at 4C in the dark.                                                                                                                                                     |
| Clonality                   | Polyclonal                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                          |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                           |
| Product Description         |                                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                                       |
| Gene ID                     | 6693                                                                                                                                                                         |
| Gene Symbol                 | SPN                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                        |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 350 to 400 of human CD43 Molecule using the numbering given in entry NP_001025459.1 (GeneID 6693). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                        |
| Product Application Details |                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                            |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                       |
