| Clonality                   | Polyclonal                                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                      |
| Conjugate                   | DyLight 680                                                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                   |
| Gene ID                     | 64215                                                                                                                                                                                                    |
| Gene Symbol                 | DNAJC1                                                                                                                                                                                                   |
| Species                     | Human, Mouse                                                                                                                                                                                             |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 475 to 525 of human DnaJ (Hsp40) Homolog, Subfamily C, Member 1 using the numbering given in entry NP_071760.2 (GeneID 64215). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                          |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
