GART Antibody [DyLight 594]

| Product Information         |                                                                                                                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                       |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                               |
| Conjugate                   | DyLight 594                                                                                                                                                                                       |
| Purity                      | Immunogen affinity purified                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                            |
| Gene ID                     | 2618                                                                                                                                                                                              |
| Gene Symbol                 | GART                                                                                                                                                                                              |
| Species                     | Human, Mouse                                                                                                                                                                                      |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 200 to 250 of human Glycinamide Ribonucleotide Synthetase using the numbering given in entry NP_000810.1 (GeneID 2618). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                   |
| Applications                | Immunohistochemistry, Immunoprecipitation                                                                                                                                                         |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
