| Storage                     | Store at 4C in the dark.                                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                         |
| Conjugate                   | Biotin                                                                                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                      |
| Gene ID                     | 6888                                                                                                                                                                        |
| Gene Symbol                 | TALDO1                                                                                                                                                                      |
| Species                     | Human, Mouse                                                                                                                                                                |
| Immunogen                   | The immunogen this antibody was made to, maps to a region between residue 200 to 250 of human Transaldolase 1 using the numbering given in entry NP_006746.1 (GeneID 6888). |
| Product Application Details |                                                                                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                      |
