**NBP2-32232MFV500**

VAMP-7 Antibody [mFluor Violet 500 SE]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | mFluor Violet 500 SE                                                                        |
| <b>Purity</b>        | Immunogen affinity purified                                                                 |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                                |
| <b>Gene ID</b>     | 6845                                                                                                                                                                                                                                  |
| <b>Gene Symbol</b> | VAMP7                                                                                                                                                                                                                                 |
| <b>Species</b>     | Human, Mouse                                                                                                                                                                                                                          |
| <b>Immunogen</b>   | The immunogen this antibody was made to, maps to a region between residue 105 to 155 of human Vesicle-Associated Membrane Protein 7 using the numbering given in entry NP_005629.1 (GeneID 6845).                                     |
| <b>Notes</b>       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunoprecipitation, Knockdown Validated                 |
| <b>Recommended Dilutions</b> | Western Blot, Immunoprecipitation, Knockdown Validated                 |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
