**NBP2-34499APC**

TWEAK R/TNFRSF12 Antibody [Allophycocyanin]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Polyclonal                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                        |
| Buffer                      | PBS                                                                                                              |
| Product Description         |                                                                                                                  |
| Host                        | Rabbit                                                                                                           |
| Gene ID                     | 51330                                                                                                            |
| Gene Symbol                 | TNFRSF12A                                                                                                        |
| Species                     | Human                                                                                                            |
| Immunogen                   | Antibody was raised against a human IgG1 Fc-tagged Fn14 protein.                                                 |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
