TNF-alpha Antibody (MAb1) [mFluor Violet 450 SE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | MAb1                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgM Kappa                                                                                   |
| Conjugate           | mFluor Violet 450 SE                                                                        |
| Purity              | Protein L purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                                                 |
| Gene ID             | 7124                                                                                                                                                                                                                                  |
| Gene Symbol         | TNF                                                                                                                                                                                                                                   |
| Species             | Human                                                                                                                                                                                                                                 |
| Immunogen           | Recombinant human TNF-alpha (Uniprot: P01375)                                                                                                                                                                                         |
| Notes               | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, CyTOF-ready, Neutralization |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Neutralization, CyTOF-ready |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                   |
