| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | DyLight 680                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 9699                                                                                                                                                                                               |
| Gene Symbol                 | RIMS2                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                                                                  |
| Specificity/Sensitivity     | RIM2 antibody is human specific. Multiple isoforms of RIM2 are known to exist.                                                                                                                     |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide near the center of human RIM2. The immunogen is located within amino acids 840 - 890 of RIM2. Amino Acid Sequence: LPDRSDKNKRRTKTVKK |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                         |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
