| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | DyLight 680                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 79414                                                                                                                                                                                              |
| Gene Symbol                 | LRFN3                                                                                                                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                  |
| Reactivity Notes            | 0                                                                                                                                                                                                  |
| Specificity/Sensitivity     | This antibody is predicted to not cross-react with other members of the LRFN family.                                                                                                               |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide near the center of human LRFN3. The immunogen is located within amino acids 380 - 430 of LRFN3. Amino Acid Sequence: DPPRDGDPDALTPPS |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                   |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
