| Clonality                   | Polyclonal                                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                              |
| Conjugate                   | FITC                                                                                                                                                                                                             |
| Purity                      | Peptide affinity purified                                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                                           |
| Gene ID                     | 57592                                                                                                                                                                                                            |
| Gene Symbol                 | ZNF687                                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                                            |
| Reactivity Notes            | 0                                                                                                                                                                                                                |
| Specificity/Sensitivity     | ZNF687 antibody is human specific. At least three isoforms of ZNF687 are known to exist; this antibody will detect the the two largest isoforms.                                                                 |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide near the amino terminus of human ZNF687. The immunogen is located within the first 50 amino acids of ZNF687. Amino Acid Squence: HSGPEENEGPGGPGKPE |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                       |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
