| Conjugate                   | DyLight 488                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Chicken                                                                                                                                                                                                           |
| Gene ID                     | 54949                                                                                                                                                                                                             |
| Gene Symbol                 | SDHAF2                                                                                                                                                                                                            |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                 |
| Reactivity Notes            | 0                                                                                                                                                                                                                 |
| Specificity/Sensitivity     | SDHAF2 antibody is predicted to not cross-react with other SDHAF protein family members.                                                                                                                          |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide near the amino terminus of human SDHAF2. The immunogen is located within the first 50 amino acids of SDHAF2. Amino Acid Sequence: SFRRFYRGDSPTDSQKD |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
